One-Third Report Having Received At Least One COVID-19 Vaccine Dose; Share Wanting To "Wait And See" Continues To Shrink

Have you personally received at least one dose of the COVID-19 vaccine, or not? When an FDA authorized vaccine for COVID-19 is available to you for free, do you think you will...?

NOTE: December 2020 survey did not have an option for respondents to indicate they had already been vaccinated. See topline for full question wording.
